Report of Principal and School Improvement Council

Kelly Miller Elementary School provides a nurturing, safe, and orderly environment, while promoting high expectations for academics and social achievement in a diverse society.

The students engaged in MAP assessment twice during the school year. The students made gains in MAP benchmark assessment. Our students participated in the USC Math Fest and Science Fair, the State Read-In, and the District Read-In. One of the fifth grade students received the State Superintendent's Writing Award for the district.

Through our partnership with South Carolina Action for Healthy Kids and Coordinated Approach to Child Health (CATCH), our students were involved in the filming of a program by ETV showing them engaged in "CATCH" related activities. With the partnership our students also planted a vegetable garden and published a "Healthy Cookbook." These activities promoted positive attitudes and behaviors regarding nutrition and physical activity for our students.

Our staff is continuing their professional careers by pursuing graduate degrees. Three of our teachers are participating in our district's "Grow Your Own Leaders" Program. Several of our paraprofessionals are pursuing a bachelor's degree.

The commitment of parents, students, staff, and community is building a better future for Kelly Miller students.

Lillian R. Potter Arnold, Principal
